

Getting in touch with the SRWC Operations team

Stanford Redwood City is managed by an operations team who ensures all aspects of the campus from building access and security to delivering your mail, runs smoothly. We aim to be proactive and alert the campus community beforehand when possible, but if you happen to encounter an issue first, you can reach us by phone, email or by submitting a service request.

WHAT'S HAPPENING ON CAMPUS AND BEYOND

Recreation and Wellness reopens indoor operations

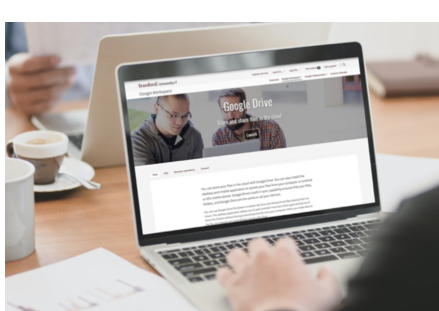

Beginning Monday, March 1, the Recreation and Wellness Center will be reopening indoor operations at 10% capacity. The Cardio/Strength Floor will be available for up to 10 reservations per hour. Up to four individuals from the same household can also make half-court basketball reservations. The outdoor Fitness Garden and rooftop pool remain open and are available by reservation as well.

Don't put Stanford in a box

University IT is advancing its efforts to reduce Stanford Box usage across the university and encouraging our community to adopt Google Drive.

Stanford Continuing Studies: Spring registration is open

Choose from 130+ online offerings! New courses taught by Stanford instructors include "The Paintings of Vincent van Gogh," "Dante at 700: His World, Works, and Legacy," "A History of Reproductive Rights in the United States," and more. Select courses are BeWell Berry-eligible and all courses are STAP-fund eligible. Most classes start the week of March 29.

UPCOMING EVENTS

Talks with the Artists: An Interview with Carter Hodgkin

Friday, Feb. 26 | 12:30 - 1 p.m.

Carter Hodgkin is a contemporary artist known for her striking visual interpretations of physics. Hodgkin utilizes traditional and digital mediums such as animation, printing, painting, drawing, glass tile mosaics and computer coding/programming in bold, rich palettes to transform physics into art. [Learn more.](#)

BeWell & Connect

Thursday, March 25 | 8 a.m. - 5:30 p.m.

Social connections improve our health and well-being. To help you connect with your community, BeWell is hosting a full day of connection opportunities, including laid-back chats with Stanford colleagues, learning about the science behind connection and the things that connect us, and connecting through movement. [Learn more.](#)
